Boston — 617.557.5928

Deirdre M. Robinson represents developers in the Northeast and across the country in all aspects of affordable housing development with an emphasis on syndication of tax credits including low income housing, historic and new markets. She represents for-profit and nonprofit organizations owners and developers in complex, mixed-use and multi-family housing projects, utilizing creative financing structures that combine private and subsidy loan programs and various tax-credit programs. Deirdre serves as co-chair of our firm's Real Estate + Development group.

Affordable Housing Real Estate Development

Deirdre specializes in complicated transactions that frequently involve historic preservation. She works with her clients to develop creative solutions to complicated structuring and financing problems faced by owners and developers that involve a wide array of private, state and federal funding sources, tax-exempt bond financing and equity investment from the syndication of federal and state Low Income Housing Tax Credits, federal and state Historic Tax Credits, New Markets Tax Credits, Solar Energy Tax Credits and Brownfields Credits. Deirdre is committed to working with her clients to address the need for safe, quality affordable housing and community development.
