---

Elizabeth R. Cincotti's experience in the real estate and legal industry spans more than 20 years as a paralegal/project manager. She works with national mortgage lenders and focuses on multi-faceted commercial real estate finance transactions. Her diverse expertise includes managing the intricacies of market-rate and complex mixed-finance affordable housing and implementing and using various Fannie Mae and Freddie Mac products, including conventional, M.TEB, TAH, and TEL.

Beyond her technical knowledge, Elizabeth's passion extends to project management and fostering strong relationships with clients, counsel, and any parties involved.
