Kathleen “Kate” C. McCusker’s experience in the real estate industry spans more than 30 years working in the real estate, construction and development, and legal industries. Her career started as a real estate paralegal before moving on as a commercial title and escrow officer, followed by 12 years as an affordable housing developer. This unique background established her extensive knowledge in all aspects of real estate development, including title insurance, surveys, construction, financing, and property operations.

Kate’s depth of experience and knowledge also extends to multiple financing structures, including low-income housing tax credits, tax exempt bonds, HUD Financing, USDA Rural Development, Freddie Mac, and traditional market rate financing.
